*The Accelerated Nursing program is a 15-month, consecutive semester program designed for students who currently have a bachelor's degree in a field other than nursing.

**The Degree Completion Program (DCP) is an accelerated program that provides adult students with the opportunity to complete a Bachelor of Arts degree.

***Kilian Teach Out allows former Kilian college students to attend USF and graduate on time with the degrees they were pursuing at Kilian.

****The Radiologic Technologies program allows students to complete their first two years at USF and the last two years in a hospital program.
